Collection Guide for Solid Waste, Recycling, and Other Collection Services

(209) 537-8000

Sorting Waste is required by law- State Mandate SB 1383

Beginning in January 2022 SB 1383 requires all residents and businesses to have all recyclables and organic materials be sorted out from the trash and placed in correct bins.

The intent under the new state law SB1383 is statewide effort to reduce emissions of short-lived climate pollutants (SLCP)

Effective January 1st, 2022 - Each residence will receive 3 carts for each waste stream- Trash, Recycle, Organics. All trash and Organics carts will be serviced weekly. All Recycle carts will be serviced every other week.

If you request any additional carts, they can be provided at an additional cost per waste stream. To make changes, you are welcome to call our Billing Dept after January 1st at 209-537-8000, press option 3.
